Learn the story of God and God's people

“Whatever you have learned or received or heard from me, or seen in me—put it into practice. And the God of peace will be with you. – Philippians 4:9

God has revealed God's self throughout the history – in creation, through the people Israel, the prophets, and most especially in the person, Jesus, God's son. God continues to reveal God's self to us today through the Holy Spirit as we worship, study, and share life together. Learning is a lifelong endeavor.

We can notice what God is up to by listening to God in Scripture, nature, life experiences, and other people, the arts, science, and intuition. It takes setting aside time for intentional reflection on one's own or in a small group.
