

**REPORT OF THE COMMITTEE  
ON THE CONSTITUTION AND CANONS  
FOR THE 125TH ANNUAL CONVENTION**

The Committee on the Constitution and Canons has three items to present to the Convention for action. One item is substantive and two items are technical corrections. These three items will require two votes by the Convention.

First, the Committee submits to the Convention amendments to the canons to extend the pilot program for alternatives to Regional Assembly meetings by an additional 2 years.

Second, the Committee submits to the Convention technical and conforming amendments to the Canons that (1) provide a technical correction for two inconsistent provisions in the Canons (relating to the Treasurer's membership on the Finance Committee) to be consistent with Diocesan practice; and (2) provide a technical correction to section 3504(b)(3) of the Canons where the word "mission" was omitted in error.

These proposed amendments appear on pages 42 through 44 of the Convention booklet.

**PART I**

**PILOT PROGRAM FOR ALTERNATIVES  
TO REGIONAL ASSEMBLY MEETINGS**

On January 27, 2018, the 123<sup>rd</sup> Convention passed a resolution that amended the Canons by adding section 2306 that established a pilot program for alternatives to Regional Assembly meetings. The resolution that established the pilot program also contained a freestanding section providing for a conforming repeal of the text of section 2306 when the pilot program terminated after two years in 2020.

Under the pilot program any region may initiate a plan that provides an alternative to the conduct of the business of the region at a traditional annual meeting of the regional assembly. The alternative plan could include any alternative to an in-person meeting, such as one or more electronic meetings and the use of electronic voting. Every region over the last two years have initiated and implemented a plan. After monitoring the pilot program over the two-year trial period, the Diocesan Council and Bishop have received mainly positive responses. In the fall of 2019 the Diocesan Council and Bishop submitted a proposal to the Committee on the Constitution and Canons to extend the pilot program by an additional two years for further evaluation. During the additional two-year period a region may conduct its annual regional assembly in the traditional manner or choose the option to initiate an alternative plan under section 2306 of the Canons.

The proposed changes require amending the text of the Canon, which includes a sunset date, and also requires amending the original resolution that established the pilot program, because that resolution included an automatic repeal provision.

Appendix I following the proposed amendments to the Canons and establishing resolution shows the strikes and inserts to the text of section 2306 of the Canons and the text of section 2 of that resolution.

## PART II

### GENERAL TECHNICAL AND CONFORMING AMENDMENTS

#### TREASURER AS A VOTING MEMBER OF THE FINANCE COMMITTEE

There is a conflict between two provisions in the Canons that need to be reconciled to be consistent with Diocesan practice. Section 1303 of the Canons provides that the Treasurer is an ex officio member of the Finance Committee without a vote. Section 2802(a)(2)(B) of the Canons provides that the Treasurer is a voting member of the Finance Committee. In Diocesan practice the Treasurer is a full member of the Finance Committee with vote. During the multi-year restatement process of the Canons the section 2802 provision was added to make the Canons consistent with the actual practice of the Diocese, but the conforming changes to section 1303 were not made.

The proposed technical and conforming amendment strikes subsection (a) of section 1303. Although that subsection being stricken also contains references to the Diocesan Council and the Committee on Investments of the Diocesan Council, the existing provisions in the Canons that establish the Diocesan Council and the Committee on Investments of the Diocesan Council address membership and voting of the Treasurer, respectively, ( i.e. section 2702(a)(2)(A)(iv) of the Canons provides that the Treasurer is a non-voting ex officio member of the Diocesan Council and section 2902(a) of the Canons provides that the Treasurer is a non-voting ex officio member of the Committee on Investments). The proposed amendment also provides technical redesignations and references.

Appendix II shows the strikes to the text of section 1303 of the Canons.

1 **APPENDIX II**

**TEXT OF CANON RELATING TO TREASURER**

2 **SEC. 1303. DUTIES.**

3 ~~(a) DIOCESAN COUNCIL AND COMMITTEE MEMBERSHIP.—~~ The Treasurer shall  
4 ~~be a member ex officio without vote of—~~

5 ~~—————(1) the Diocesan Council;~~

6 ~~—————(2) the Committee on Finance for the Diocesan Council; and~~

7 ~~—————(3) the Committee on Investments for the Diocesan Council.~~

**CORRECTION OF OMITTED WORD**

8 Section 3504(b)(3) of the Canons omitted the word “mission” in error. The proposed amendment  
9 corrects the omission.

10 Appendix III shows the insertion in italics to the text of section 3504(b)(3) of the Canons.

11 **APPENDIX III**

**TEXT OF CANON RELATING TO “MISSION”**

12 (b) NOTICE.— Not later than 10 days before the first annual meeting, the Bishop shall  
13 provide notice of the date and place of that meeting to any individual who according to the records  
14 of the mission—

15 (1) is a communicant of this Church in good standing;

16 (2) is at least 15 years of age;

17 (3) has attended more than 1 service at the *mission* before the first annual meeting;

18 and

19 (4) has contributed to the support of the mission before the first annual meeting.

*Therefore, the Committee on the Constitution and Canons moves—*

*(1) the adoption of an amendment to the Canons relating to the Treasurer as a voting member of the Committee on Finance; and*

*(2) the adoption of an amendment to the Canons relating to a technical correction; With both taking effect on the day after the last day of the annual meeting of the Diocesan Convention in calendar year 2020 as follows:*

1 Section 1303 of the Canons is amended by striking subsection (a) and redesignating subsections (b)  
2 through (e) as subsections (a) through (d), respectively.

3 Section 3504(b)(3) of the Canons is amended by inserting “mission” after “has attended more than  
4 1 service at the”.
