ASSOCIATE RECTOR

FULL-TIME (*open to Part-Time*)

Saint David's, a vibrant, faithful and multigenerational Episcopal parish located in the Kent neighborhood of Washington, DC, seeks an **Associate Rector** who leads with joy to join our team of forward-leaning, energetic and talented clergy, staff and lay leaders. The **Associate Rector** will be a full partner in ministry with the rector. We love being a parish church and are looking for a clergyperson who loves "the work" and wants to participate fully in the life and work of parish ministry. For consideration for the **Associate** position, please submit a resume, letter, links to online liturgies and homilies and 2-3 current/recent professional references to the Reverend Kristen Hawley (kristen@stdavidsonline.org).

A bit more...

We are looking for the right person rather than the right skill set. If you are passionate about the work of the priesthood, the people we walk and serve with, the community we are a part of, the mission to both go out and serve and worship God in the beauty of holiness... please consider applying.

A few things about Saint David's:

- We are a multi-generational, growing and vibrant parish church – where parish is the operative word. We are not an issue-based church or a conservative or progressive church. We believe that our call and strength is being a **parish** church where all are actually welcome and those who vote, shop, look and love differently can gather at God's table and be reconciled and bound to both God and one another.
- We have a fun-loving and hardworking vestry who remind the clergy every day of the power and gift of lay leadership.
- We have a staff team of talented, positive and joyful people, eager to welcome the new Associate Rector.
- Already on a great growth trajectory, covid has helped transform our parish in countless ways. Our outreach, worship, fellowship and formation have all been transformed for the better and we have become far more outward facing than we were pre-covid. We leaned into the pandemic and it changed us for the better.
- We love people. Those who visit for the first time are often surprised by the genuine energy, joy and welcome they find at Saint David's.
- We know that we have much work to do and are excited about finding someone who wants to join us in the wonderful work of parish ministry. We are hopeful to find someone with a deep faith, abundant mindset, love of people and abiding presence who has gifts and energy to share!
